APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit for storage purposes only (secondary applications to be filed for use of the stored waters) is issued subject to the prior rights on the source. By filing of Proof of Completion of Work as required under conditions of the permit, secondary applications will be in order for approval so that application of water to a beneficial use may be made.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 370 acre-feet per annum.

Work must be prosecuted with reasonable diligence and be completed on or before August 28, 1986

Proof of completion of work shall be filed on or before September 28, 1986

Application of water to beneficial use shall be made on or before August 28, 1987

Proof of the application of water to beneficial use shall be filed on or before September 28, 1987

Map in support of proof of beneficial use shall be filed on or before _____
